

Universal Enclosures

Range: Enclosures

Order Code: 33070014

DESCRIPTION

Series 70 - ABS enclosure, screw fit assembly, suitable for housing electronics for a variety of applications within the industrial, electronics and office automation industries. PCB's can be assembled into all bases and most lids via moulded bosses and an optional EPDM gasket is available to improve sealing to IP65. Colour coded enclosure mounting feet option is also available.

ENCLOSURES FEATURES

- General purpose high impact enclosure
- Tough ABS material with temperature range up to 85°C
- Suitable for a variety of applications
- IP65 rating can be achieved by use of the optional gasket
- optional colour coded mounting feet available.

Subject to technical modification without notice.

Typographical and other errors do not justify claim for damages.
