# Accessories

Range: PCB Terminal Blocks, Connectors and Fuse Holders

Order Code: 5365/2/21

DESCRIPTION

PCB fuse holder base for 5x20mm cylindrical fuse

PCB TERMINAL BLOCKS, CONNECTORS AND FUSE HOLDERS FEATURES

• 2 pin through board fitting
• UL94 V0 material
• Small footprint
• RoHS compliant

Subject to technical modification without notice.
Typographical and other errors do not justify claim for damages.

MAKING THE **RIGHT** CONNECTIONS

hylec

SPECIFICATION

Connection Method	Solder
Mounting Type	Through hole
Orientation	Vertical
Pitch (mm)	17.8
Solder Pin Length (mm)	5
PCB Hole Diameter (mm)	1.2-1.5
Suitable for Through Hole	yes
Body Material	Nylon PA66-RVAE
Max Temperature Rating °C	120
