

# Pillar Terminal Blocks

## Range: Emech Terminals/Accessories

Order Code: HY433/3 PLP

### DESCRIPTION

3 pole black polypropylene pillar terminal block 10mm pitch 41a 450v

*Subject to technical modification without notice.*

*Typographical and other errors do not justify claim for damages.*

## SPECIFICATION

|                            |                         |
|----------------------------|-------------------------|
| Number of Poles            | 3                       |
| Terminal Material          | OT58 nickel plated      |
| Body Material              | Polypropylene           |
| Colour                     | Black                   |
| Max Conductor Size (Sq mm) | 6                       |
| Max Current (A)            | 41                      |
| Max Voltage (V)            | 450                     |
| Working Temperature        | 85                      |
| Pitch (mm)                 | 10                      |
| Height (mm)                | 17.4                    |
| Width (mm)                 | 20.2                    |
| Length (mm)                | 27.2                    |
| Diameter (mm)              | 3.4                     |
| Terminal Screw Material    | White zinc plated steel |
