

Screwless - Push Wire

Range: PCB Terminal Blocks, Connectors and Fuse Holders

Order Code: CTB-VPK-S05-L02

DESCRIPTION

Screwless 2-Pole Terminal Block, Pluggable

Subject to technical modification without notice.

Typographical and other errors do not justify claim for damages.

SPECIFICATION

Type	Screwless Terminal Block, pluggable
Number of Poles	2
Max Current (A)	24
Max Voltage (V)	250
Height (mm)	15
Standard Colour	Grey
Width (mm)	14.5
Length (mm)	43.6
Contacts Material	Brass & Steel
Approvals Pending	TUV, CE
Body Material	Polyamide 66 UL94V-0
Min Temperature Rating °C	-40
Max Temperature Rating °C	85
Min Wire Size AWG	22
Max Wire Size AWG	12
