

Debox®

Range: Debox®

Order Code: Debox V

DESCRIPTION

Debox V is the smallest junction box on the market that can accommodate 5 x 3-way connectors.

Debox V is ideal for electricians who prefer to use their own connectors, but are looking for a quality, junction box that saves valuable time and makes installation easier. Also there is no need to use a screwdriver to securely join wires and mount the box itself.

DEBOX® FEATURES

- Saves Time & Money
- Maintenance Free - 100% Tool-less Box and Assembly.
- Smallest Junction Box for Five x 3-Way connectors
