

1017100000

1 Pole white polyamide fused pillar terminal block through hole terminal mm pitch 10a 250v

SPECIFICATION

Fuse Size (mm)	5x20
Number of Poles	1
Terminal Material	Nickel-plated brass
Terminal Type	Through hole
Body Material	White polyamide
Colour	White
Base Type	Standard
Min Conductor Size (Sq mm)	1
Max Conductor Size (Sq mm)	2.5
Max Current (A)	10
Max Voltage (V)	250
Working Temperature	T115
Length (mm)	17.5
Terminal Screw Material	M 3 zinc-plated steel
Tracking Resistance PTI (v)	600
Wire Protection Material	Nickel-plated-steel
