

PV ARRAY COMBINER BOXES

Range: Solar Power Connection

4 Strings input,
1 String output

Other Product Variants

- 2 Strings input, 1 String output
- 6 Strings input, 2 Strings output

MAKING THE RIGHT CONNECTIONS

PV Array Combiner Boxes

Range: Solar Power Connection

COMPONENTS

DC Mini Circuit Breaker

- 4-Pole
- Normal Voltage 1000V DC
- High Voltage 1,200V DC
- Standard Compliance with EN50539 Type2 / Type 1+2
- Maximum Discharge Current 40 KA
- Certification TUV,CB,CE

DC Fuses

- Rated Working Voltage 1000V
- Fuse Link 10x38mm LITTEL 15A
- Certification TUV,CB,CE

DC Surge Arrester

- Max Operation Voltage 1000V
- Standard Compliance with EN50539 Type2
- Maximum Discharge Current 40 KA
- Certification TUV,CB,CE

Other Supplied Components

- Male & female PV connectors
- Breather Valve
- M16 & M20 cable glands
- Solid-state relay switches

MAKING THE RIGHT CONNECTIONS
